How to resolve problems in the case of car accident.

Ten Points to be followed:

1. Fill in all the points of the accident report.
2. Write down with legible writing, if possible in capital letter.
3. Indicate in all case, date, time and place.
4. Indicate in all case, number plate and insurance company of both.
5. Quote correctly the frames defining the circumstances of the accident.
6. The report has to be signed by the involved persons.
7. If there is any doubt, call the police to establish an attest.
8. Make sure that the insurance of the other driver's car is up to date.
9. Indicate the personal particulars of the insured and the drivers.
10. Give corresponding copies of the Accident report to the insurance company (mediator, office, etc.) as soon as possible.

If these instructions are strictly followed, the procedure of the accident will be quickened.

If you have any doubt or any kind of consultation, feel free to take contact with our accident department. We will be delighted to answer your questions.
